VOLUNTEERS NEEDED FOR OLDER ADULT LEGAL ASSISTANCE

Volunteer attorneys and greeters are needed for the St. Louis County Department of Human Services' County Older Resident Programs (CORP). Attorneys and greeters are needed at the **St. Louis Government Center North in Hazelwood on Saturday mornings, on a monthly or bi-monthly basis.** Attorneys assist with non-litigation consultations, primarily documents such as wills, Powers of Attorney, deeds, etc. Experience with basic elder law issues is beneficial. Greeters meet customers at the Government Center front door, making sure they have brought necessary information, and escort them to the office area. Ability to relate well to older adults is essential for both positions.

For more information about volunteering or about CORP's legal assistance services, please call (314) 615-0931 or (314) 615-4559, TTY (314) 615-0998 for the hearing impaired
