

The spirit of collegiality that characterized Carmody MacDonald's earliest days has been retained and cultivated over the years, making the firm an innovative place to work. We are a cutting-edge, progressive and dynamic firm seeking passionate and talented professionals interested in performing sophisticated legal work. If you believe in working hard, having fun and using your skills to offer the best legal counsel available, please review the career opportunity below.

#### Litigation Associate Attorney

We are seeking an associate attorney with two to six years of legal experience to join our Litigation Department. Ideal candidates would have an interest in general civil and commercial litigation. The candidate must be able to manage multiple projects in a team setting and provide practical client counseling. All candidates should have strong academic credentials, a willingness to accept responsibility, and share our commitment to client service and professional excellence.

We offer competitive compensation, excellent benefits, and the opportunity for professional development.

Qualified candidates should send their cover letter, resume, writing sample, and law school transcript to:
